

Pymatuning State Park - Organized Group Camping Area
Southwest Side of the Reservoir in Pennsylvania

Follow State Route 11 North to State Route 322 (21 miles). Continue East on S.R. 322 into Pennsylvania and then into the park (about 10 miles). After you pass the large Jamestown Family Campground, you will see a sign for Family Cabins. Turn left and follow that road past the family cabins and the beach. Group Camping is on the left between the Yacht Club and the Marina. You may also follow State Route 322 all the way to the Park Office and turn left down West Lake Road (sign for Group Camping) and proceed back to the Group Campground. Coming in this direction, it will be on your right, just past the Marina.
