

Directions to Camp McKinley

Take state route 11 south to the Lisbon/Elkton exit at route 154. Go west 3 miles into Lisbon. Just after you pass through the center of town where route 30 joins in; you will go downhill towards a bridge that crosses over the Little Beaver Creek. Just before crossing the bridge, turn right onto Logtown Road. There is a Scout Camp sign on that corner. Go one mile on this road that follows the creek and the entrance to camp will be on your left over the bridge on Furnace Run Road.

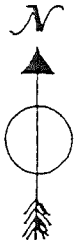

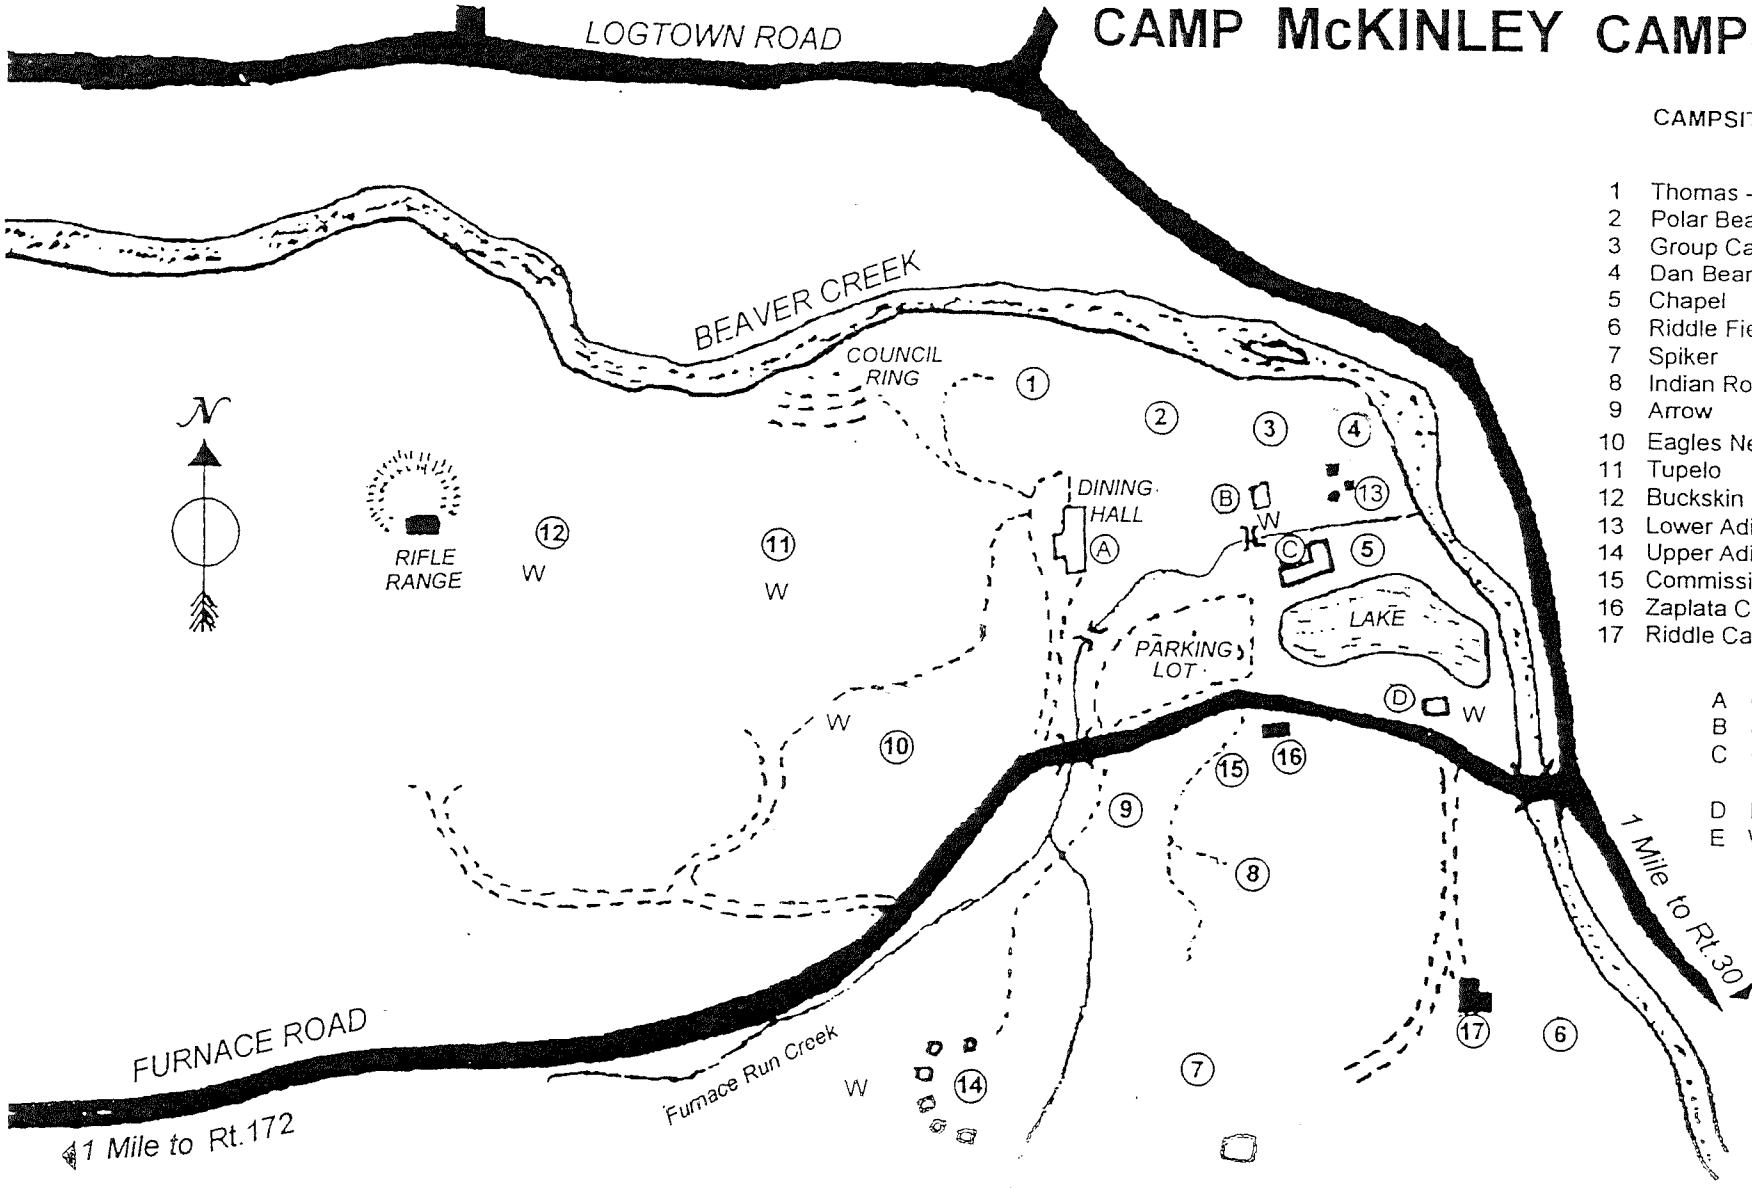

LOGTOWN ROAD
